OFFICE OF THE DIRECTOR

Honorable Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

Attention is invited to the enclosed copy of Defense Mobilization Order IX-2.

It is requested that you submit by May 1, 1956 the name of your representative. In the selection of the person the following should be considered:

It is intended that the Telecommunications Advisory Board will be the highest-level group in the Government in the telecommunications field.

The person should be in a position to have knowledge of all telecommunications interests and actions in your organization. His position should also be such that he can direct actions to be taken within your organization.

There is so much to be done in this field on a national basis that he should be able to devote at least one and one-half hours each week to the work of the Board.

Particular attention is invited to the fact that this Board will not duplicate functions of the Telecommunications Planning Committee with its wide membership.

Sincerely yours,

(Signed) Arthur S. Flemming
